DETAILED ACTION

Claims 21-32 are under consideration in this application.

Election/Restrictions

The restriction is deemed sound and proper and is hereby maintained.

This application has been examined to the extent readable on the elected compounds of wherein X is pyridyl (optionally substituted by non-heterocyclic groups), Y is aryl (optionally substituted by non-heterocyclic groups), Z is 1H-pyrrolo[2,3-c]pyridine (optionally substituted by non-heterocyclic groups, R¹ –R¹¹, A, B and W represents non-heterocyclic groups and R¹¹, R¹² as set forth in claim 1, exclusively. All additional heterocycles and heteroaryls pertain to nonelected subject matter.

Allowable Subject Matter

Claim 21 is objected to as containing nonelected subject matter. The objection may be overcome by limiting the claim to the subject matter indicated as being examinable, supra. A claim so limited would appear allowable. Applicants have not limited the variable Z to 1-Hpyrrolo[2,3-c]pyridine.

Claims 22-32 presented in independent form or made dependent on an allowable claim, would appear allowable, otherwise they are objected to as being dependent on a nonallowed claim.

Conclusion

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Patricia L. Morris whose telephone number is (571) 272-0688. The examiner can normally be reached on Mondays through Fridays.
